# WELLNESS FUND

—DRAFT—

PLACER COLLABORATIVE NETWORK • PLACER COMMUNITY FOUNDATION

## WHAT IS THE WELLNESS FUND?

The Wellness Fund is a new grant program working to build local resources for local social service causes in Placer County. Through various fundraising strategies such as employee giving campaigns, business support and individual donations, Placer Collaborative Network and Placer Community Foundation are partnering to bolster resources for community-based organizations in Placer County.

## WHO DOES THE WELLNESS FUND SERVE?

The Placer Wellness Fund serves your neighbors in need. Your local dollars are going directly to local people, via the organizations that serve them.

## GRANTS

Year One grants from the Wellness Fund will include:

- Mini-grants (up to \$2,500) to support small non-profits doing great work
- Children's Health Initiative (CHI): 25% of all funds raised in year one will go toward supporting CHI's work to provide health insurance to uninsured children
- Endowment: 25% of funds raised will be put into an endowment for long-term sustainability of the fund

## HOW CAN I CONTRIBUTE?

The more people who donate to the Wellness Fund, the more effective we can be in serving the organizations who serve our community members most in need. Please consider making a donation today!
